RE: ADMIN. REVIEW: TAPERED ROLLER BEARINGS FROM THE REPUBLIC OF HUNGARY (A-437-801)

1. The Department of Commerce has completed its administrative Review of the Antidumping Duty Order on tapered roller bearings and parts thereof, finished or unfinished (TRBs) from the Republic of Hungary (Hungary) for the period June 1, 1989, to May 31, 1990. The final results will be published in the Federal Register on August 23, 1991.

2. Accordingly, for shipments of TRBs from Hungary entered or withdrawn from warehouse, for consumption on or after August

23, 1991, you shall collect a cash deposit equal to the amount of 1.68 percent for the manufacturer/exporter Magyar Gordulocsopagy Muvek (MGM), (A-437-601-001). The "ADCVD" module has been updated to reflect this amount.

3. For any entries of this merchandise from any other exporter, a cash deposit of 1.68 percent shall be required.

4. These cash deposit requirements will remain in effect until the publication of the final results of the next administrative review.

5. Do not liquidate any entries of this merchandise included in this administrative review until appraisement instructions are received. Instructions will not be sent until at least 30 days after publication of the final results, and may be delayed indefinitely if an appeal of the final results is filed with the Court of International Trade.

6. If there are any questions regarding this matter by Customs Officers, please contact via E-Mail, through the Regional Antidumping/Countervailing Duty Coordinator, the Trade Compliance Division, Antidumping/Countervailing Duty Branch, using attribute "HQ OAB". The importing public and other interested parties should refer their questions to Kimberly Hardin, of the Office of Antidumping Investigations, Import Administration, International Trade Administration, U.S. Department of Commerce (202) 377-8371.
